

Login into the e-learning platform MoD (based on Moodle)

You can access the Moodle system at the [web address mod.srce.hr](http://mod.srce.hr).

(To change the language of the interface, you need to select the icon  on the menu bar.)

Caption 1: E-learning platform MoD

You can login to the e-learning platform with the AAI@EduHr electronic identity (only for participants from Croatia) or with a **local user account**.

Caption 2: Log in using local user account button

Users who log in to the Mod for the first time using a local account should create it first. To create a local user account, select the **Log in using local user account** button and then the **Create new user account** button in the **Is this your first time here?** block.

Is this your first time here?

For full access to this site, you first need to create an account.

Create new account

Caption 3: Create new account button

The next step is to select the desired username and password and enter additional user information. After the user completes and submits the form, he/she receives a notification to his/her e-mail address about the created local user account, in which he/she must select a link to confirm the user account creation.
